ZYRAHN

Creative & result-driven Interior Designer with over eighteen years of experience.
Proficient in visualizing & creating spaces with optimum planning.

NEO is an integrative design-based studio that strives to create meaningful, sustainable, simple yet ageless designs. Every client is special for us that's why NEO aims at conceiving spaces for its clients that encompass not only their own vision but also enable them to live in creatively designed magical spaces. It is wonderful how good design can make us feel, it can make us fall in love with the place all over again, each day.

Innovation, creativity, & nature are cornerstones of our design approach. We strongly believe that design & nature are closely associated with each other in terms of form, space, & ambiance. Nature inspires us to design spaces aiming to reconnect people with nature.
